YOUTH ACNE PRONE SKIN

Timeless Prescription protocol

The simple Timeless Prescription® 3-Step Acne Control System contains powerful acne-fighting ingredients to clear acne blemishes and allow skin to heal. This unprecedented system uses a breakthrough stabilized and time-released benzoyl peroxide, which maintains its potency over time. Benzoyl peroxide is easily absorbed into pores where it works by interfering with acne impurity metabolism through oxidation. For all ages and skin types, especially oily.

Timeless Prescription Anti-Blemish Lotion is an excellent overnight spot treatment for pimples. Timeless Prescription Anti-Blemish contains active ingredients, such as calamine and salicylic acid, to calm irritated skin associated with acne.

- May help reduce the appearance of pimples overnight
- Calms irritation of pimples
- Reduces the appearance of swollen skin caused by pimples
