BELIEVE IN BEAUTY FROM WITHIN

TIMELESS PRESCRIPTION OXYGEN EXTREME is a combination of vitamins, minerals and special herbs in capsule form that helps protect our body from the negative effects of free radicals. Stay timeless with this natural blend of minerals and herbs.

INGREDIENTS:

- Milk Thistle: 50 mg used to promote liver health. Protects against free radicals by acting as an antioxidant .
- Vitamin A (Beta-Carotene): 5000 IU: An anti-aging micro nutrient of the highest order, standing firmly alongside vitamins C and E and the mineral selenium in its ability to help maintain health.
- Vitamin C: 200 mg helps to maintain healthy collagen in the skin, promotes normal healing, promotes healthy teeth and bones and boosts the immune system.
- Vitamin E: 30 IU supports the respiratory system. It also promotes a healthy immune system. Vitamin E protects the body from oxidation, a normal aging process.
- Selenium: 200 mcg one of the most important micro nutrients to include in a longevity-minded health regimen and is frequently cited by anti-aging specialists as an antioxidant that should be included on an anti-aging checklist. Selenium and vitamin E are synergists, meaning they each improve the efficiency of the other.
- Bilberry: 25 mg chief action as an antioxidant is its powerful synergy with vitamin E. It supports the normal resistance of blood capillaries and promotes their impermeable nature.
- Ginkgo Biloba: 50 mg Ginkgo Biloba helps to support memory, brain function, mood, cerebral and peripheral circulation, and oxygenation and blood flow.
